Throw it into the air  
Take that last yellow  
Ride downtown anywhere  
Go so fast

Still come in last  
Always comin' in last

Me  
I don't know where I'd be  
Without someone to see  
This thing through  
I am such a mess  
Even at my best

I'm better with you  
Hoo hoo hoo hoo hoo  
Oh oh oh oh oh

Everybody knows  
14 million ants are marching  
Lonely as they go  
Underground,  
Round and round  
City lights in your head

Life  
This world is a crazy place  
But when I see your face  
It's shining anew  
I don't even care  
Just take me anywhere  
Cause it's better with you

Hoo hoo hoo hoo hoo  
Oh oh oh oh oh  
Oh oh oh oh oh  
Oh oh oh oh oh oh oh

Me  
I don't know where I'd be

Without someone to see  
This thing trough  
Just stay here by my side  
I know this and this ride  
Its better with you

It's better with you  
It's better with you
