Verse 1:

Windy, cold alright,
Back in dallas.
With neon lights.
And the building,
Lets you know your home.
You'd go way back when,
If you wanted to be my friend,
Do you call me?,
I'd understand it's true.

Chorus:

I don't feel like im falling
No, I don't feel like im falling,
No, I don't feel like im falling down,
Just say hello to the ground,
Ba ba ba ba ba ba,
Ba ba ba ba ba ba.

Verse 2:

Wait there,
I'll be right back,
Down in times square,
Its a heart attack,
All the feeling,
That makes you feel so new,
Trees fall and so do men,
Even the walls start caving in,
And you feel like there's no pretend for you.

Chorus/Bridge:

I don't feel like im falling
No, I don't feel like im falling,
No, I don't feel like im falling down,
Just say hello to the ground,
We could talk if days werent so fast,
And mistakes just leave it so unsure,
I wanna hold you like never before.

Cause were falling and I love you,more and more,
Do you feel like your falling down?,
Do you feel like your falling down?,

I don't feel like I'm falling,falling,falling,down,down.

Chorus/Outro:

I don't feel like im falling
No, I don't feel like im falling,
No, I don't feel like im falling down,
Just say hello to the ground,
Ba ba ba ba ba ba,
Ba ba ba ba ba ba,
Ba ba ba ba ba ba, ahhhh.
Ba ba ba ba ba ba,
Ba ba ba ba ba ba,
Ba ba ba ba ba ba, ahhhh.
Do you feel like your falling down?,
Do you feel like your falling down?,
I don't feel like I'm falling,falling,
Just say hello to the ground.
