Verse1:

I dont carE what you wear,
you seem safe and sound,
just cool it and DON'T forget about me when I'm down.

Chorus:

hey,hey,hey,
you're the girl in between,
it was ok until you came clean,
I thought the lie was but a dream.

Verse 2:

Caviar, resivoir, uh huh a dime i'm in.
beneath the dance consiquence,
hence your back with him.

Chorus:

hey,hey,hey,
your the girl in between,
it was ok until you came clean,
I thought the lie was but a dream.

Bridge:

My mirror is cracked,
7 years no reflection,
I saw you smile,
its a sign of perfection,
enigmas always seek,
when you TEST the way that people think,
DEITIES lookin down,
universal sound.

Outro:

hey,hey,hey,
your the girl in between,
hey,hey,hey
you dont know what it means,
it was ok, until you came clean,
I thought the lie was but a dream.
