Breakin' the Rubik's cube
Makin' me lose the beat
Blue jean baby girl
We are an apogee
Down in the Christmas tree

Hear me out
You don't know I'm here
(Hear me out)
You don't know I'm here
(Hear me out)
You don't know I'm here

I want it all too soon
Faster than laser beams
Come on people now
Take your depressed friends out
They need a love to stay

Hear me out
You don't know I'm here
(Hear me out)
You don't know I'm here
(Hear me out)
You don't know I'm here

I wanna come and play
Outside your bedroom gate
I wanna pick you up
Blue jean baby girl
Take me to outer space

Phew, I found it now
All of the common places are in their face
The world is trapped inside
Takin' me for a ride
And I don't know your name

Hear me out
You don't know I'm here
(Hear me out)
You don't know I'm here

(Hear me out)
You don't know I'm here

You don't know I'm here
(Hear me out)
You don't know I'm here
(Hear me out)
You don't know I'm here
(Hear me out)
You don't know I'm here
(Hear me out)
You don't know I'm
