Gotta scream at the top of yer lungs  
Just to get out what you want â€™em to hear  
Donâ€™t ya know where lâ€™m cominâ€™ from?

Black Cat livinâ€™ across the way  
Got more in him then we could ever say  
Donâ€™t ya know where lâ€™m cominâ€™ from?

You donâ€™t know what you mean  
You donâ€™t know what you mean  
You donâ€™t know what you mean, mean to me

Donâ€™t regret beinâ€™ the ragged kid  
Donâ€™t regret anything I ever did  
â€™Cause I always knew where lâ€™s cominâ€™ from

My deepest cut came from out in L.A.  
Tried to take all my friends away  
Donâ€™t ya know where lâ€™m coming from?

You donâ€™t know what you mean  
You donâ€™t know what you mean  
You donâ€™t know what you mean, mean to me
