I'll be the one to listen to your radio
I'll be the one to make you go crazy now
We'll shake it down, so come on, come on yeah
I'll be the one to listen to your radio

I get stuck between all the things I mean
But I don't think I mean much anyway

I, I, I, I have some problems
If you had the answers we could solve 'em, yeah

Pick up the phone, somebody's calling now
Oh honey, don't you want me 'round here?
We shake it down, so come on, come on, yeah
(Come on)
I'll be the one to listen to your radio

I get stuck between all the things I mean
But I don't think I mean much anyway

I, I, I, I have some problems
If you had the answers we could solve 'em, yeah

I, I, I, I have some problems
If you had the answers we could solve 'em
Solve 'em, solve 'em

Let's solve 'em, let's solve 'em
Let's solve 'em, let's solve 'em
Let's solve 'em
That's right
