Rock of Ages

Let our song praise your saving power;
You amid the raging foes,
Were our sheltering tower
Furious they assailed us,
But your arm availed us,
And your word broke their sword,
When our own strength failed us.
And your word broke their sword,
When our own strength failed us.

There's at least one more verse:

Children of the Martyr Race
Whether free or fettered
Raise the echos of thy song
Where ere ye may be scattered
Yours the message cheering
That the time is nearing
Which will see all Men free
Tyrants disappearing
Which will see all Men free
Tyrants disappearing

Furious they assailed us,
But your arm availed us,
And your word broke their sword,
When our own strength failed us.
And your word broke their sword,
When our own strength failed us.
