I'm the sawdust man, I'm the music man, I'm the talk of
the town
Stick with me my little baby I wont let you down
My doors are always open for you to come in
Hurry up my little buttercup let the games begin
I'm so tired of waiting around
Gotta get this thing off the ground
I'm on top of the Greyhound station
Won't you please come home?
I'm on top of the Greyhound station
Won't you please come home?
Been up here since 4:05
My work day is done
Pockets fat, well my kitty cat
We're gunna have some fun
When I see the big high beams
Cross the county line I get the butterflies and the shiver
spine
Gonna drop right down and wrap you up in these arms
of mine
Baby I want to kiss you from your head to your toes
And take this thing as far as it goes
I'm on top if the Greyhound station
Won't you please come home?
I'm on top of the Greyhound station
Won't you please come home?
Oh come home
I'm on top of the Greyhound station
Won't you please won't you please won't you please
come home
I'm on top of the Greyhound station won't you please
come home
Just come home ah just come home
Come come home
You've been gone for way too long
Come Home
