I dont have a problem

one with ancor-family  
in denile

wheres my only brain?  
wheres my neculias  
mom i think its all good  
what have been to us?

so i wait tuesday  
yeah i wait to make you happy

pickin up the paper  
the gardian  
right wing liberal neighbor  
he wont be my friend  
anthrax bombs are hiding  
cause woodtras back on trail  
americas just a family  
in denile

cause i wait for tuesday  
yea i want to make you happy

well i wanna see your daylight  
the tarin fell in my life  
its a silent scene  
and when i wanna see your night light  
you sprinkle me with goodbye  
its not up to me  
its your biography how you sleep with my light  
restin on your head  
woken by the drowlin  
counted majic

passion is the answer  
honesty the key  
when my frame is empty  
you wont see me

cause i wait for tuesday

cant wait to make you happy  
well i wanna see your daylight  
the tarin feel in my life  
its a silent scene  
and when i wanna see your nightlight  
you sprinkle me with goodbye  
its not up to me its you biography
