Sometimes I wonder if you're still here
Lookin' out for anything that could fall and hit your
head
Fluorescent lights burn out in time dear
We see the world in a different light, did you give up?

Love ain't supposed to be this bad
Make you cry mega ultra sad
If I told you you're all I ever had
Would you walk on me? Because I wouldn't walk on you

If I was in your shoes, I wouldn't walk all over you
So please don't walk all over me yeah, yeah
If I was in your shoes, I wouldn't walk all over you
So please don't walk all over me

Right now I feel like its all ending, spit me out sell me
cheap
You'll never ever ever ever ever teach me to fly
In the sky it's early and still mornin'
All those smiles you made wanted to cry, 'cause you
gave up, that's right
Love ain't supposed to be this bad
Make you cry stupid shady sad
If I told you, you're all I ever had
Would you walk on me? Because I wouldn't walk on you

If I was in your shoes, I wouldn't walk all over you
So please don't walk all over me yeah, yeah
If I was in your shoes, I wouldn't walk all over you
So please don't walk all over me

If I was in your shoes, I wouldn't walk all over you
So please don't walk all over me yeah, yeah
If I was in your shoes, I wouldn't walk all over you
So please don't walk all over me, please don't step all
over me, yeah
