Try to remember
Try to forget
Try to remember

Look back try to remember
That name sounds so familiar
Sue, these letters are driving me crazy
They're driving me so crazy
They're making me so angry

Bradley, to remember
Bradley, so familiar
Bradley, to remember
Bradley, so familiar

One more year do something
Make something from nothing
Sue, these letters are driving me crazy
They're driving me so fucking crazy
They're making me so angry

Bradley, to remember
Bradley, so familiar
Bradley, to remember
Bradley, so familiar

Tried to remember what you said
Sounds so familiar what you said
My life is mine, it's mine
I'm gonna take it back
My life it's mine, it's mine
I want it back

These letters are driving me crazy
They're driving me so crazy
They're making me so angry

Bradley, to remember
Bradley, so familiar
Bradley, to remember
These letters are driving me crazy

Bradley

These letters are driving me crazy

These letters are driving me crazy
