The roof, the roof, the roof is on fire
We don't need no water let the motherfucker burn
Burn motherfucker, burn

Burn, burn, burn, burn

Sway - the hypnotic
Sway - the hypnotic
Sway - the thrilling of it now
Sway - the thrilling of it now

But you said that you need,
Well I need, like you
And you said that you need,
Well I need, like you

What you said that you're never gonna say again
Lay beside me

Come sway this way
Come sway this way
Come sway this way
Come sway this way
