

Coal Chamber "Clock"

Visit "[Clock](#)" on MotoLyrics.com

Clock tick tick tick, tick tock, tick tock
Clock tick tick tick, tick tock, tick tock
Clock tick tick tick, tick tock, tick tock

Wicked mind you hold the hour
But my mind it holds the power

Clock tick tick tick

Where did the time go?
What do I have to show?
Watching the time fly
Watching the time fly

Clock, it counts my fears
Clock, it counts my fears
Clock, it counts my fears

Clock, it counts my fears
Clock, it counts my fears
Clock, it counts my fears

Where did the time go?
What do I have to show?
Watching the time go by
Watching the time fly

Clock, it counts my fears
Clock, it counts my fears
Clock, it counts my fears

Clock, it counts my fears
Clock, it counts my fears
Clock, it counts my fears

My time goes by so slow
My clock goes by so slow

Come closer you can do better than me
Come closer you can do better than me
Come closer you can do better than me

You can do better than me
You can do better than me
You can do better than me

It counts my fears
It counts my fears
It counts my fears

Clock, it counts my fears
Clock, it counts my fears
Clock, it counts my fears

Clock, it counts my fears
Clock, it counts my fears
Clock, it counts my fears

Come closer you can do better than me
Come closer you can do better than me
Come closer you can do better than me
