If someone should ask you then say  
That he fell away  
From what he wanted at first  
From what he wanted at first  
From what he wanted

If someone should ask you then say  
That they fell away  
From what they wanted at first  
From what they wanted at first  
From what they wanted

As he fell away, as she fell away  
As he fell away, as she fell away  
As he fell away, as she fell away  
He won't come out and play music anymore

If someone should ask you then say  
That she fell away  
From what she wanted at first  
From what she wanted at first  
From what she wanted

If someone should ask you then say  
That they fell away  
From what they wanted at first  
From what they wanted at first  
From what they wanted

As he fell away, as she fell away  
As he fell away, as she fell away  
As he fell away, as she fell away  
As he fell away, as she fell away  
As he fell away

Try, tried I couldn't kick it, no  
Try, tried I couldn't kick it, no  
Try, tried I couldn't kick it, no  
Try, tried I couldn't kick it, no

Try, tried I couldn't kick it, no  
Try, tried I couldn't kick it, no

Try, tried I couldn't kick it, no  
Try, I tried I couldn't kick it

If someone should ask you then say  
He sleeps all day  
That he feels he's gone, son  
And always will be betrayed

Betrayed  
Betrayed  
Betrayed  
Betrayed

As he fell away, as she fell away  
As he fell away, as she fell away  
As he fell away, as she fell away

Try, tried I couldn't kick it, no  
Try, tried I couldn't kick it, no  
Try, tried I couldn't kick it, no  
Try, tried I couldn't kick it, no

Try, tried I couldn't kick it, no  
Try, tried I couldn't kick it, no  
Try, tried I couldn't kick it, no  
Try, tried I couldn't kick

As she  
As she  
As she
