WTF!!

Where's Obama when the poor are being taxed to
Death?

Putting on His Leather Pilot Helmet

Where is Obama when all the Companies are Moving
out of the country?

Putting on his Goggles

Where is Obama when the politicians STEAL our tax
money and use it to bribe voters via Wellfair, Public
Aid, WIC, LINK, Food Stamps and the rest of the
invented scams!

Obama is

Dancing around Naked wearing his leather pilot helmet
and goggles while Tweaking his Nipples!!

Where is his wife?

She is SPENDING OUR TAX DOLLARS SO SHE CAN FEEL
IMPORTANT!!

And where were you?
