There it goes, it goes with her It never leaves so easily And there it goes, it goes with him It never leaves so easily And thoughts come (Thoughts come) And thoughts go (Thoughts go) Tear people apart (Tear people apart) Who don't know (Who don't know)

It's just a notion that comes to me It's just a notion that comes to me It's just a notion that comes to me It's just a notion that comes to me
