Something told me to tell you  
Not to tell me what to do  
I am what I fuckin' am  
Many have tried to change this man

Life's always been an uphill fight  
Somethings I do you may not like  
Life's always been an uphill fight  
Somethings I do you may not like

Something told me to tell you  
Don't give into me  
Something told me to tell you  
Don't give into me

Why do you do the shit you do?  
I'm doin' just what I do  
No, not what I want to do  
But what I've got to do, we're through

Life's always been uphill fight  
Somethings I do you may not like  
Life's always been uphill fight  
Somethings I do you may not like

Something told me to tell you  
Don't give into me  
Something told me to tell you  
Don't give into me

Something told me to tell you  
Don't give into me  
Something told me to tell you  
Don't give into me

Something told me to tell you  
Not to tell me what to do  
I am what I fuckin' am  
Many have tried to change this man

Life's always been uphill fight  
Somethings I do you may not like

Life's always been uphill fight  
Somethings I do you may not like

Something told me to tell you  
Don't give into me  
Something told me to tell you  
Don't give into me

Something told me to tell you  
Don't give into me  
Something told me to tell you  
Don't give into me

I'm sick of this shit  
I'm sick of this shit  
I'm sick of this shit, motherfucker  
I'm sick of this shit  
I'm sick of this shit  
I'm sick of your shit

I'm out of my mind and you're driving me crazy  
I'm out of my mind and you're driving me crazy  
I'm out of my mind and you're driving me crazy  
I'm out of my mind and you're driving me crazy

Don't, don't give into me  
Don't give into me  
Don't give into me  
Don't give into me  
It's not the same, it's not the same  
Some things are not the same anymore

Something told me to tell you  
Something told me to tell you  
Don't give into me  
Something told me to tell you  
Don't give into me

Something told me to tell you  
Don't give into me  
Something told me to tell you  
Don't give into me  
Something told me to tell you  
Don't give into me
