Always cold inside this glass  
Trust it's hard, I know this trust will never last  
It's never been much of my concern  
I've grown in size again, still fine

Sleep it all away, just another day  
Always me in the corner this way  
It's never been much of your concern  
You've grown inside again, still fine

Do I look fine to you?  
Do I seem alright to you?  
Do I look fine to you?  
Do I seem alright to you?

Do I look fine?  
Do I seem alright?  
Do I look fine?  
Do I seem alright?

Stay unspoiled  
Stay unspoiled  
Stay unspoiled  
Stay

So spoiled you leave cleaner by day  
Exposed and lonely forever on display  
It's never been much of our concern  
We fell apart again, kill time

Do I look fine to you?  
Do I seem alright to you?  
Do I look fine to you?  
Do I seem alright to you?

Do I look fine?  
Do I seem alright?  
Do I look fine?  
Do I seem alright or you?

Stay unspoiled  
Stay unspoiled

Stay unspoiled  
Stay
