When we wish, we wish for two
And when I wish, I wish for you
Yes, they come and then they go
But I'm still left here on my own

When we wish, we wish for two
When I wish, I wish for you
When we wish, we wish for two
When I wish, I wish for you
I wish for you

When they wish, they wish to fly
Mask myself and don't know, why?
How Mary wishes on the ground
You please warm these with no sounds

When we wish, we wish for two
When I wish, I wish for you
When we wish, we wish for two
When I wish, I wish for you
I wish for you

When I wish, I can't miss
I can't miss you
Goodbye my sorrow
I save regrets for tomorrow
Goodbye my sorrow
I save regrets for tomorrow

When we wish, we wish for two
When I wish, I wish for you
When we wish, we wish for two
When I wish, I wish for you
I wish for you, I wish for you
I wish for you, when I wish
