Hey, hey, mama, said the way you move  
Gonna make you sweat, gonna make you groove

Oh, oh, child, way you shake that thing  
Gonna make you burn, gonna make you sting

Hey, hey, baby, when you walk that way  
Watch your honey drip, can't keep it away

Oh yeah, oh yeah, oh, oh, oh  
Oh yeah, oh yeah, oh, oh

I gotta roll, can't stand still  
Flame in my heart, get my fill

Eyes that shine burning red  
Dreams of you all through my head

Ah ah, ah ah, ah ah  
Ah ah, ah ah, ah

Baby, baby, baby  
Tell me what you're gonna do  
Baby, baby, baby  
Tell me what you're gonna do

Didn't take too long 'fore I found out  
What people mean by down and out

Spent my money, took my car  
Started telling her friends she's gonna be a star

I don't know but I been told  
A big-legged woman ain't got no soul

Oh yeah, oh yeah, oh, oh, oh  
Oh yeah, oh yeah, oh, oh, oh

All I ask for when I pray  
A steady rollin' woman gonna come my way

Need a girl to hold my hand

And tell me no lies, make me a happy man

Ah ah, ah ah, ah ah

Ah ah, ah ah, ah, oh yeah
