As long as there is still breath
Left in your body, friend
Just move, just move

You'll sleep some other day
Some other time, some other place
Just pray that your hands don't break

We walk with hard hearts and sharper tongues
The price we paid, paid in strength

We walk with hard hearts and sharper tongues
The price we paid, paid in strength

We walk with hard hearts and sharper tongues
The price we paid, paid in strength

Run, fight, run

We walk with hard hearts and sharper tongues
The price we paid, paid in strength
