Hey fellas, have you heard the news?
That Annie's back in town
Won't take long, just watch and see
How the fellas lay their money down

Her style is new but the face is the same
As it was so long ago
From her eyes, a different smile
Like that of one who knows

It's been ten years and maybe more
Since I first set eyes on you
The best years of my life gone by
I am here alone and blue

Some people cry and some people die
By the wicked ways of love
But I'll just keep on rollin' along
With the grace of the Lord above

People talkin' all around
'Bout the way you left me flat
I don't care what the people say
I know where their jive is at

One thing I do have on my mind
If you can clarify, please do
It's the way you call me by another guy's name
When I try to make love to you

Work so hard, I can not unwind
To get some money saved
Abuse my love a thousand times
However hard I tried

Heartbreaker, your time has come
Can't take your evil way
Just go away, heartbreaker, yeah
Heartbreak, heartbreaker
