If the sun refused to shine  
I would still be loving you  
When mountains crumble to the sea  
There will still be you and me

Kind woman, I give you my all  
Kind woman, nothing more  
Little drops of rain, whisper of the pain  
Tears of love lost in the days gone by

My love is strong  
With you there's no wrong  
Together we shall go until we die  
My, my, my, my

An inspiration is what you are to me  
Inspiration, look and see

And so today, my world it smiles  
Hand in mine, we walk the miles  
Thanks to you it will be done  
For you to me are the only one

Happiness, no more be sad  
Happiness, no more

If the sun refused to shine  
I would still be loving you  
If mountains crumble to the sea  
There would still be you and me
