(E. Pugh)
The light's turned on
In that smoky room
Their stumblin' round
In the heart of June
But I'm - I'm stuck outside
Broke the branch
And I fell like lead
Hey watch out
That boulder's falling on you head
Rumblin'
Rumblin' in my head
They're having fun
But I'll stay with you instead
But I'm - I'm not there
Broke the branch
And fell like lead
Hey watch out
That boulder's falling on you head
Oh no - I'm stuck outside
Oh no - I'm stuck outside
You know I'm not there
No, I'm not there
