[30...29...28...27...26...25...]

This segment of the program serves two purposes
The first being to give the CD listener an opportunity to
pause and reflect
As a vinyl listener would upon changing from side one
to two
Secondly, it allows Noise Addict to fulfill any
contractual obligation
Stateside or otherwise
Pertaining to the legal duration of a full-length CD
We hope that you've enjoyed side one
And Noise Addict humbly offer you side two in its
entirety
Without further interruption
