R.J. Johnson/B. Lee

You know you never change your ways  
And I don't mean the way you brush your hair  
You know you never change your ways  
And I don't mean the clothes you wear  
And I don't want you to lose your inhibitions  
Just be a bit more flexible  
By dictionary definition  
Be a bit more ductile like me  
You know you never change your ways  
And I don't mean the life you lead

You know you never change your ways  
And I don't know what you need  
And I don't want you to lose your inhibitions  
Just be a bit more flexible  
By dictionary definition  
Be a bit more ductile like me  
I'm hoping you'll be  
A bit more ductile like me  
I'm hoping you'll be  
A bit more ductile like me  
Here's hoping you'll be  
A bit more ductile like me
