From such a tender age
I let you in
To mess with my insides
I don't regret a thing

And I don't care if you're confused
Please hold my hand
Grip the railing
I still don't understand

Twenty meters above the ground, took off my disguise
I never thought of kissing you is that such a surprise
I think you've heard my song before
Won't make you hear it again

Don't wanna hear about your girl
Got my own best friend
And if you wanna hear a tune we'll grab a bite
Take your quotation marks away

I got my pride
I got my pride

I ate my mushroom goop
You were laid-back
We tried to reinvent ourselves
We're getting off the track

And I don't care if you're confused
Please hold my hand
Grip the railing
I still don't understand

I think you've heard my song before
Won't make you hear it again
Don't wanna hear about your girl
I've got my friend

And if you wanna hear a tune we'll grab a bite
Take your quotation marks away

I got my pride

I got my pride
I got my pride
I got my pride

I got my pride
I got my pride
I got my pride
I got my pride

I got my pride
I got my pride
I got my pride
