Gegetta, the conqueror of Rome
We bow to you Gegetta, call Italy your own
We beg of you

It's been said when in Rome
Do as the Romans do
But instead the Latin dog is gonna be

As unforgettable
As bellissima
And Gegettable as...
Gegetta, make Italy your own

And before we're through
As sure as I am looking at you
They're gonna name a statue after you

Or maybe a fountain
Or maybe a city
Or maybe a mountain
Imagine how pretty

Gegetta, the conqueror of Rome
Gegetta, the conqueror of Rome

Written by G.D. Weiss and A. Kasha
Originally performed by James Darren for the film
Gidget Goes To Rome
