"Hungry"

It's strange, it's mad to want someone so bad
And can't you tell, feel it in every cell
Our eyes they meet, I won't accept defeat
I feel brand new, can't keep my hands off you

And we get so hungry, we eat each other alive
We get so hungry, only the strong survive
We get so hungry, cannot get you off my mind

If hearts could speak, some things I can't repeat
'Cause you were sent to steal my innocence
It's all so much, your love, your words, your touch
Your glare, your scent makes me believe again

And we get so hungry, we eat each other alive
We get so hungry, only the strong survive
We get so hungry, cannot get you off my mind
We get so hungry, hungry, yeah

We sleep, we dream, discuss the things we've seen
We take, we give, this is the way we live

And we get so hungry, we eat each other alive
We get so hungry, only the strong survive
We get so hungry, cannot get you off my mind
We get so hungry, hungry, yeah

(We get so hungry)
So hungry
(We get so hungry)
So hungry, yeah
(We get so hungry)
So hungry, yeah
(We get so hungry)
So hungry
