Do do do do do do [x4]

It's true, it's true,

I'm a woman too,

I move with the flow of the seasons

I do, I do, cause I'm a woman too,

I don't make sense but I got my reasons,

So hear me roar

I will not be ignored

If you've ever had to fight, you're a sister of mine

If your heart's got something to prove

Then you're a woman too

It's here, it's clear,

This world can be unfair,

There's always someone being kept down

It's true, it's true cause I'm a woman too try to shut me

up and I'm

gonna get loud

So hear me roar

If you've ever had to fight, you're a sister of mine

If your heart's got something to prove

Then you're a woman too

Are you a woman too?

The African,

He's a woman too

The American,

He's a woman too

The Palestinian,

He's a woman too

The Jew

He's a woman too

The freedom fighter

He's a woman too

The messiah

He's a woman too

This planet

It's a woman too

You,

You're a woman too

You're a woman too
You're a woman too

So hear me roar,
I will not be ignored
If you've ever had to fight you're a sister of mine
If your heart's got something to prove
Then hear me roar
I will not be ignored
If you've ever had to fight, you're a sister of mine
If your heart's got something to prove,
Then you're a woman too
You're a woman too
And I'm a woman too
And I'm a woman too
