Feelin' Better
Since I surrendered
You can't Climb
'Till you're ready to fall
You're not a land mine
You're not a gold mine
No you're not mine at all

So tell me baby
Can you hear me?
I sent a message out into the dark
It's a mystery
When you're near me
I've gotta find my way to your heart

I learnt my lesson
First impressions
More often right than wrong
It's not a slow dance
This modern romance
Feels like we've already waited too long

Don't worry baby
'bout how it should be
I sent a message out into the dark
I'd rather talk to you
About how it could be
I've gotta find my way to your heart

(Instrumental)

I was one of those
Breathing tornadoes
But now I live at the eye of the storm
And it's all faded
Then since the separation
Since I let your love keep me warm

You tell me baby
That you can feel me
I sent a message out into the dark
When I kiss you

That's the real me
I've gotta find my way to your heart

So tell me baby
Can you hear me
I sent a message out into the dark
It's a mystery
When you're near me
I've gotta find my way to your heart
I've gotta find my way to your heart
I've gotta find my way to your heart
