It's sad and spent  
Feel the motion again  
Stop and pause  
Then move some more  
Still surprise you when it shatters  
But nothing matters  
Still surprise you when it shatters  
Don't you know that nothing happens  
But a lot goes on  
A lot goes on  
But nothing happens  
A lot goes on  
A lot goes on  
But nothing happens  
Choose a town  
Find a girl to follow around  
Stay on track  
And just sit back  
Still surprise you when it shatters  
But nothing matters  
Still surprise you when it shattered

Don't you know that nothing happens  
But a lot goes on  
A lot goes on  
But nothing happens  
A lot goes on  
A lot goes on  
But nothing happens  
A lot goes on  
A lot goes on  
But nothing happens  
A lot goes on  
A lot goes on  
But nothing happens  
But a lot goes on  
A lot goes on  
But nothing happens  
A lot goes on  
A lot goes on  
But nothing happens  
A lot goes on

A lot goes on  
But nothing happens  
A lot goes on  
A lot goes on  
But nothing happens
