I'll buy a pair of jeans  
A stylish means  
A groovy masterpiece  
I'll cover them with paper men  
And books on Zen

Records shot with darts  
Talk your way out of this one  
Blah, blah, blah

I wrote a song 4 you  
I wrote a song 4 you

I'll sleep till after three  
I'll brush my teeth  
I'll wash my feet, I don't feel well  
You couldn't tell, I look like hell

Records shot with darts  
Talk your way out of this one  
Blah, blah, blah

I wrote a song 4 you  
I wrote a song 4 you  
I wrote a song 4 you  
I wrote a song 4 you

I wrote a song 4 you  
I wrote a song 4 you  
I wrote a song 4 you  
I wrote a song 4 you
