We're in trouble,
in a mess I've got a feeling
that only you can stop it
cos it's over if we say so

They still don't get it
that it's not an easy job
to be the one who says yes
when the whole world only says no

Will they ever believe this is only a dream
When will they scream

Yoko Ono
Break me open
Tell me which way
do we go now
Yoko Ono
I've been hoping
to change this world
before it's over

We're all choking on the fog and war
Help us, we adore you
Ohh, Yoko Ono
Ohh, Yoko Ono

They're still reeling
from the fact you keep stealing
their alpha male rock star
it was mine that opened his heart

And in that moment he could fly
and his music was a jet
and you were the reason
cos you made every (thought?)

When will they realise that he only wanted to cry

When will they cry

Yoko Ono

Break me open
Tell me which way
do we go now
Yoko Ono
I've been hoping
to change this world
before it's over

We're all choking on the fog and war
Help us, we adore you
Ohh, Yoko Ono
Ohh, Yoko Ono
Ohh

Teach us how to cry
Teach us how to dream
Teach us how to die
Teach us how to scream
Teach us how to f*ck
Teach us how to pray
Teach us how to be
Man teach us!

Yoko Ono
Break me open
Tell me which way
do we go now
Yoko Ono
I've been hoping
to change this world
before it's over

We're all choking on the fog and war
Sorry if we hurt you
We're reaching out for something more
Help us, we adore you
Ohh, Yoko Ono
Ohh, Yoko Ono
Ohh, Yoko Ono
Ohh, Yoko Ono
