It's gonna be a long winter time for you and I
It's gonna be a long winter time for you and I
This is the part that you never want happening,
So take it from me that it's hard to fake feelings,
Feelings, feelings
Two weeks is not enough to become what you want,
What you want, what you want, what you want
Take your time, take your time, take your time,
Take your time, take your time,
Take your time, take your time, take your time,
Take your time, take your time
