Just as good as my lies
Trade a smile for a prize
Find me anyone who cares enough
To be somebody, know somebody
If my wallet isn't full
And if nobody smells or chokes on the bullshit
I'll be around and so will you
We could be, yeah, we could be
You and I, you and I both know
That time is not the best thing to ignore
Thinking fast, drawing blanks, make up now
Yes I'll be free tonight
And I can't say the words that I don't even feel
It's 2 o'clock my eyes are shot
And this time it's real
If I could think then
I'd come up with ways to keep you alive
No I don't, no I don't want to fight
But as for right now
You're a ragdoll on the ground
They pick you up and name you
Let you sit and pass you around
You are so tired
You are so tired
Thinking fast, drawing blanks, make up now
Yes I'll be free tonight
I'll be free tonight
