They all compete for your love
But I don't need to fuck with that
If you don't believe this, you're lost
You're lost

I don't mind what they say
And I don't need what they got
If you don't like what I say
Put it in your blog
I promise no one even gives a fuck

I never needed your sympathy
'Cause I got my own money
And there ain't nothing you can do to me
I've eaten off the floor before
And we go sha na na na na na
Don't give a damn about
Sha na na na na na
Go on and scream and shout
Sha na na na na na
And I may be rude, but I'm the truth, yeah

I'll let you watch me for now
Girl, I got no shame in that
He's just a face in the crowd
So watch out

You don't mean what you say
You don't roll that's an act
I'm the same off the stage
What you see is what you get
Maybe you don't know what you lookin' at

I never needed your sympathy
'Cause I got my own money
And there ain't nothing you can do to me
I've eaten off the floor before
And we go sha na na na na na
Don't give a damn about
Sha na na na na na
Go on and scream and shout

Sha na na na na na
And I may be rude, but I'm the truth, yeah

I never needed your sympathy
'Cause I got my own money
And there ain't nothing you can do to me
I've eaten off the floor before
And we go sha na na na na na
Don't give a damn about
Sha na na na na na
Go on and scream and shout
Sha na na na na na
Sha na na na na na
And I may be rude, but I'm the truth, yeah
