I was buried alive  
I came back to haunt you  
Are you dying to believe  
I can't go on without you?  
All we are is too fast for love

We're too young  
I hate to love you  
The night sky  
Hangs above you  
But you can't be missed  
If you never go away

It's the end of a broken heart  
I went on without you  
I was lost from the start  
I did what I had to  
All we are is too fast for love

We're too young  
I hate to love you  
The night sky  
Hangs above you  
But you can't be missed  
If you never go away

You don't know what I've seen  
You can see that I've been damaged  
Without you  
And I don't know where you've been  
I can wash your sins away

We're too young  
I hate to love you  
The night sky  
Hangs above you  
But you can't be missed  
If you never go away

It's the end of a broken heart [x4]
