That's it
I have had it with these motherfucking snakes
On this motherfucking plane

Times are strange
We got a free upgrade
For snakes on a plane
Fuck 'em, I don't care
Bought the cheap champagne
We're going down in flames, hey

Oh, I'm ready for it
Come on, bring it
Oh, I'm ready for it
Come on, bring it

Oh, I'm ready for it
Come on, bring it
Oh, I'm ready for it
Come on, bring it

So kiss me goodbye
Honey, I'm gonna make it out alive
So kiss me goodbye
I can see the venom in their eyes
Goodbye

It's time to fly
To make the stars align
With the turpentine
Lounging in their suits and ties
Watch the whore's parade
For the price you paid, hey

Oh, I'm ready for it
Come on, bring it
Oh, I'm ready for it
Come on, bring it

Oh, I'm ready for it
Come on, bring it
Oh, I'm ready for it

Come on, bring it

So kiss me goodbye
Honey, I'm gonna make it out alive
So kiss me goodbye
I can see the venom in their eyes

So kiss me goodbye
Honey, I'm gonna make it out alive
So kiss me goodbye
I can see the venom in their eyes
Goodbye

Ladies and gentlemen
These snakes is slithering
With dollar signs in they eyes
With tongues so reptilian

This industry's venomous
With cold-blooded sentiment
No need for nervousness
It's just a little turbulence

So kiss me goodbye
Honey, I'm gonna make it out alive
So kiss me goodbye
I can see the venom in their eyes

So kiss me goodbye
Honey, I'm gonna make it out alive
So kiss me goodbye
I can see the venom in their eyes
Goodbye

Oh, I'm ready for it
Come on, bring it
Oh, I'm ready for it
Come on, bring

Oh, I'm ready for it
Come on, bring it
Oh, I'm ready for it
Come on, bring it

We seem to be losing altitude
At alarming pace
Midtown to downtown, snakes on a block
I suggest you grab your ankles
And kiss your ass goodbye

Haha, who's your daddy now, bitch?
