Count 1, 2, 3.

You got me on my knees.
Got my blood on the ground
You keep me hangin' around,
Now here's my heart tonight.
Go on and take a bite.

Chew me up,
I just want a taste,
When you spit me out,
Put me in my place,
So just chew me out,
Its really no mistakes tonight.
I give myself to you,
Nothin left to lose.
Well, you chew me up,
There's nothing else i want to do..
Tonight
Tonight

Said 4, 5, 6.
(4, 5, 6)
Gotta get my fix.
You gotta get me off,
Am i good enough for your kiss?
Here's my heart tonight,
Go on and take a bite..

Chew me up,
I just want a taste,
When you spit me out,
Put me in my place,
So just chew me out,
Its really no mistakes tonight.
I give myself to you,
Nothin left to lose.
Well, you chew me up,
There's nothing else i want to do..
Tonight
Tonight

And you're the stuff that dreams are made of.

Take a bite, and taste my true love.
Its out of sight,
And i now its alright,
So chew me up, spit me out,
Take yourself a bite of my love..

Chew me up,
I just want a taste,
When you spit me out,
Put me in my place,
So just chew me out,
Its really no mistakes tonight.
I give myself to you,
Nothin left to lose.
Well, you chew me up,
There's nothing else i want to do..
Tonight
