I understand what you're going through.
I know exactly what you need, just take my hand.
I hope you understand.
It doesn't matter what you're going through
Just let it go cause it don't mean nothing now.

Here me now just

[Chorus]

Get get get on the beat now.
Your troubles will stop when the DJ drops it,
Get get get on the beat, you'll see your troubles fade
when the lights go low so

Don't blame the world, it's the DJ's fault (x3)
I'll save your soul, get on the floor baby

Don't blame the world, it's the DJ's fault (x3)
I'll save your soul, get on the floor

That's how it goes so stop (stop) looking for answers.
Cause you don't need nothing now.
You don't know know where to go when the world is
turning upside down.

It doesn't matter what you're going through.
Just let it go cause it don't mean nothing now.
Gotta get down.

[Chorus]

Get get get on the beat now.
Your troubles will stop when the DJ drops it,
Get get get on the beat, you'll see your troubles fade
when the lights go low so

Don't blame the world, it's the DJ's fault (x3)
I'll save your soul, get on the floor, baby

Don't blame the world, it's the DJ's fault (x3)
i'll save your soul, get on the floor
You sold your soul to rock'n'roll.

I finally realize i don't have to pay the price.
To save my soul, i'm on the floor.

Get your body movin'.
Get get your body right.
Get your body movin' and rock you all night. (?)

Don't blame the world, it's the DJ's fault. (x3)
I'll save your soul, get on the floor baby

Don't blame the world, it's the DJ's fault (x3)
I'll save your soul, get on the floor

It doesn't matter what you're going through
Just let it go cause it don't mean nothing now.
