Your daddy always said, you should stay away from,
A fool like me, a fool like me.
And when your momma sees me calling on your
telephone,
The b*tch hangs up on me.. Huh?

Remember that time I blew you mailbox up?
I was just kidding about that. (Kidding about that)
I'm sorry that I hit your dog with me bike.
But he's still got three legs he gonna be just fine.

And baby, baby I ain't too sure,
that I know how to change anymore.
But this I know for sure, I just got eyes for you.
Even though your friends say:

"Oh my god! How can she be with him?
Oh my god leave his ass!"

Chorus:

Your daddy always said, you should stay away from,
A fool like me, a fool like me.
And when your momma sees me calling on your
telephone,
She hangs up on me, the b*tch hangs up on me.

Yeah I know, that I'm a grown ass man.
Who still acts like an idiot.
But lord he must have been in a good mood the day,
He let a girl like you choose to take a fool like me.

I never meant to drive your car into that tree,
I'm still real sorry about that. (Sorry about that)
And I know I can't get it right but I would do anything,
Anything for my...

Baby, baby you ain't too sure,
That I know how to change anymore.
But this you know for sure, I just got eyes for you,
Even though your friends say:

"Oh my god! How can she be with him?
Oh my god leave his ass!"

[Chorus]

Take a fool like me...
Take a fool like,

Oh my god, how can she be with him?
Oh my god, how can she be with him?
Oh my god, leave his ass!

[Chorus]
