They all compete for your love  
But I don't need to screw with that  
If you don't believe this, you're lost  
You're lost

I don't mind what they say  
And I don't need what they got  
If you don't like what I say  
Put it in your blog  
I promise no one even gives a damn

I never need your sympathy  
'Cause I got my own money  
And there ain't nothing you could do to me  
I've eating of the floor before  
And we go sha na na na na na  
Don't give a damn about  
Sha na na na na na  
Go on and scream and shout  
Sha na na na na na  
And I may be rude, but I'm the truth, yeah

I'll let you watch me for now  
Girl, I got no shame tonight  
He's just a face in the crowd  
So watch out

You don't mean what you say  
You don't roll not tonight

I'm the same off the stage  
What you see is what you get, baby  
You don't know what you're looking at

I never need your sympathy  
'Cause I got my own money  
And there ain't nothing you could do to me  
I've eating off the floor before  
And we go sha na na na na na  
Don't give a damn about  
Sha na na na na na  
Go on and scream and shout

Sha na na na na na  
And I may be rude, but I'm the truth, yeah

I never need your sympathy  
'Cause I got my own money  
And there ain't nothing you could do to me  
I've eating of the floor before  
And we go sha na na na na na  
Don't give a damn about  
Sha na na na na na  
Go on and scream and shout  
Sha na na na na na  
Sha na na na na na  
And I may be rude, but I'm the truth, yeah
