[Mac Miller]

yeah

And it feel like...

Put yo middle fingers up like...

uhhh

Got my middle finger up  
And it's pointing to the clouds  
Rollin in with my whole entourage  
Too many of us to count

Tell baby girl Im on that  
Danger bring your hard hat  
Might not get that call back  
So those stories start at

[Cobra Starship]

I step into the club  
The haters turn around  
My middle finger's up  
Man Im just gettin down

To get me in the mood  
To get me good I needed  
Aphrodisiac, yeah  
Aphrodisiac, yeah

And then she pulled me close and told me now  
Let's rock the night away

I'll move your body to the beat like this (like this)  
like this...

Throw your cups in the air  
We so fly  
Middle finger up to the sky

(Throw it up)  
in the sk-y-y-y  
in the sk-y-y-y  
in the sk-y-y-y-y-y-y

Do it all the time  
Do it all night  
Middle finger up to the sky

(Throw it up)  
in the sk-y-y-y  
in the sk-y-y-y  
in the sk-y-y-y-y-y-y

Keep it movin', yeah  
I gotta let you know  
That your the only girl  
Who can drive me wild

Yeah, you feel good  
Better then I thought  
You got me so...  
Girl you got me outta my mind

Now if you want me like I know I want you  
Let's rock the night away

Move your body to the beat like this (like this)  
like this...

Throw your cups in the air  
We so fly

Middle finger up to the sky

(Throw it up)  
in the sk-y-y-y  
in the sk-y-y-y  
in the sk-y-y-y-y-y-y

Do it all the time  
Do it all night  
Middle finger up to the sky

(Throw it up)  
in the sk-y-y-y  
in the sk-y-y-y  
in the sk-y-y-y-y-y-y

[Mac Miller]

We got our middle fingers up  
'Cause we don't give a fuck  
Liottle bit of Gin mixed in my cup  
This is us so drink that up

Girl I might need a ride home  
You can take me back to your spot  
Sure shot, got your heart on lock  
Call that fort knox

Or not, be a swing and miss  
I bet you're tryna prove what the meaning of single is  
What you got to lose?  
I'm drunk as hell  
Tryna talk to you  
No other girl here that's hot as you  
So I'll slow it down  
That's chopped and screwed

[Cobra Starship]

Throw your cups in the air  
We so fly  
Middle finger up to the sky

(Throw it up)  
in the sk-y-y-y  
in the sk-y-y-y  
in the sk-y-y-y-y-y

Do it all the time  
Do it all night  
Middle finger up to the sky

(Throw it up)  
in the sk-y-y-y  
in the sk-y-y-y  
in the sk-y-y-y-y-y

Throw your cups in the air  
We so fly  
Middle finger up to the sky

(Throw it up)  
in the sk-y-y-y  
in the sk-y-y-y  
in the sk-y-y-y-y-y

Do it all the time  
Do it all night  
Middle finger up to the sky

(Throw it up)  
in the sk-y-y-y  
in the sk-y-y-y  
in the sk-y-y-y-y-y
