Take my time
take it easier
don't leave no lines
cause my moves are hot
and I never stop girl

I know you heard it all before and you've seen it all
I know, it's the same old song, same old song

Im the kind of guy that you aint ever seen before
if you wanna hit the floor are you ready for more
im the kind of guy that aint easy to forget
girl im gonna make you sweat
are you ready, are you ready for more

I may not be nice
I wont remember your name girl
that makes you understand
they could never comprehend
I don't need to explain

I know I talk a lot but I back it up
I know you got me all wrong, got me wrong

Im the kind of guy that you aint ever seen before
if you wanna hit the floor are you ready for more
im the kind of guy that aint easy to forget
girl im gonna make you sweat
are you ready, are you ready for more

I know what you're gonna say
or did you think I was born yesterday
I know you must think I got something to prove
but girl I only wanna hit the floor with you

Im the kind of guy that you aint ever seen before
if you wanna hit the floor are you ready for more
im the kind of guy that aint easy to forget
girl im gonna make you sweat
are you ready, are you ready for more

Im the kind of guy that you aint ever seen before

if you wanna hit the floor are you ready for more
im the kind of guy that aint easy to forget
girl im gonna make you sweat
are you ready, are you ready for more
