Take my time, take it easier  
Don't need no lines  
'Cause my moves are hot  
And I never stop girl

Hey, I know  
You've heard it all before and you seen it all  
Hey, I know  
It's the same old song, same old song

I'm the kind of guy that you ain't ever seen before  
If you wanna hit the floor, are you ready for more?  
I'm the kind of guy that it ain't easy to forget  
Girl, I'm gonna make you sweat  
Are you ready, are you ready for more?

I may not be nice  
I won't remember your name, girl  
They think you understand  
They could never comprehend, no  
No need to explain it

Hey, I know  
I talk a lot but I back it up, you got  
Hey, I know  
You got me all wrong, got me wrong

I'm the kind of guy that you ain't ever seen before  
If you want to hit the floor, are you ready for more?  
I'm the kind of guy that it ain't easy to forget  
Girl, I'm gonna make you sweat  
Are you ready, are you ready for more?

Boy, I know what you're gonna say  
Or did you think I was born yesterday?  
I know you must think, I got something to prove  
But girl, I really only want to hit the floor with you

I'm the kind of guy that you ain't ever seen before  
If you wanna hit the floor, are you ready for more?  
I'm the kind of guy that it ain't easy to forget  
Girl, I'm gonna make you sweat

Are you ready, are you ready for more?

I'm the kind of guy that you ain't ever seen before  
If you wanna hit the floor, are you ready for more?  
I'm the kind of guy that it ain't easy to forget  
Girl, I'm gonna make you sweat  
Are you ready, are you ready for more?
