I was just a kid, working for the man for the first time  
He Said listen kid, you better hear my advice  
Treat 'em like dirt, They stick forever to the bottom of  
your shoe (oooooh, ooh)

I said Mr. Man, that aint nice, You gotta treat a girl right  
Take her out, wine and dine her, Always be polite  
Kid, all good just do you,  
But soon you'll see she don't want no goody two shoes

Boy just a goody two  
Goody two shoes  
Just a goody two  
Two shoes!

You got style (got style)  
You got grace (got grace)  
But kid, you try so hard she just laughs in your face  
Yeah you're a nice guy with the wrong attitude  
She want a bad boy  
(bad boys, bad boys, all we want is bad boys)

I treat her bad (so bad)  
she loves me good (so good)  
And I just hate to have to tell you  
Cause you're a nice guy, but that just won't do  
She want a bad boy  
(bad boys, bad boys, all we want is bad boys)

Listen kid, you hear them sirens coming for me  
But when I get down town she will already be  
Posting bail in her favorite dress  
Smiling at me because I'm no good

You can buy her everything she likes, and I'm sure  
she'll be alright  
She'll let you steal a kiss, maybe even spend the night  
Kid, all good,  
Just know that she'll be thinking of me, even when she's  
with you

Boy just a goody two

Goody two shoes  
Just a goody two  
Two shoes!

You got style (got style)  
You got grace (got grace)  
But kid, you try so hard she just laughs in your face  
Yeah you're a nice guy with the wrong attitude  
She want a bad boy  
(bad boys, bad boys, all we want is bad boys)

I treat her bad (so bad)  
she loves me good (so good)  
And I just hate to have to tell you  
Cause you're a nice guy, but that just won't do  
She want a bad boy  
(bad boys, bad boys, all we want is bad boys)

Alright now!  
Singles ladies  
(yeah?)  
I'm gonna need your help now  
(Tell us whatcha want us to do now [x2])  
I need help, girls  
(Youre a bad boy)  
I said I need help now! (help now!)  
So bad (so bad)  
So good (so good)  
So bad (bad)  
Good (good)  
(Ohhhh!)

God damn!  
You got style (got style)  
You got grace (got grace)  
But kid, you try so hard she just laughs in your face  
Yeah you're a nice guy with the wrong attitude  
She want a bad boy  
(bad boys, bad boys, all we want is bad boys)

I treat her bad (so bad)  
she loves me good (so good)  
And I just hate to have to tell you  
Cause you're a nice guy, but that just won't do  
She want a bad boy  
(bad boys, bad boys, all we want is bad boys)

Boy just a goody two  
Goody two shoes  
Just a goody two  
Two shoes!
