We're in the spot right now
Che-checking it out
Got from all the wallets, going down no doubt
Got girls to my left, drinks to my right
How can doubt it, this is gon' be one of them nights

Whatever you need is on the dancefloor
Can't wait every morn, because it don't last forever
No-oh wo
Go jump to the spotlight, and tear it up like we got one
night

Cause tomorrow morning, we'll leaving
So right now you better jump, ride it
Tomorrow morning, we'll leaving
So let's keep it rocking til daylight

Gotta live like we got one night, one night, one night
Gotta live like we got one night, one night, one night
Cause you know we just got one life, one life, one life
Gotta live like we got one night, one night, one night

I got one hand up
The other on you, you
Got me in a spell ya, girl the way you move
Tomorrow ain't real, tonight is all truth

Gonna have you screaming out, gonna make you say,
ooh, ooh, ooh

We're falling in love on the dancefloor
Girl, you and me we'll make this last forever
The future is alright
Gonna live it up like got one night

Cause tomorrow morning, we'll leaving
So right now you better jump, ride it
Tomorrow morning, we'll leaving
So let's keep it rocking til daylight

Gotta live like we got one night, one night, one night
Gotta live like we got one night, one night, one night

Cause you know we just got one life, one life, one life
Gotta live like we got one night, one night, one night

Cause tomorrow morning, we'll leaving
So right now you better jump, ride it
Tomorrow morning, we'll leaving
So let's keep it rocking til daylight

Gotta live like we got one night, one night, one night
Gotta live like we got one night, one night, one night
Cause you know we just got one life, one life, one life
Gotta live like we got one night, one night, one night
