I just wanted to fall, I said believe me.
And when it hit me like a heart attack honestly,
We're not in love, we're never gonna be,
So why pretend baby can't you see.

It would've been better if if we never, there's no turning
back for me.
It would've been better, I should've known better,
I don't want to believe.

I don't wanna talk, and I don't wanna sing,
stupid love songs, stupid love songs, that I just can't
believe in.
I thought you were the one, but I just can't believe,
believe in love, believe in love, believe in love, it's just a
lie.

Believe in love, it's just a lie.
Believe in love, it's just a lie.

I'm trippin' on my strut, so we can be in love.
Swallow what you sell, so I can never tell.
This is just a dream, it's never what it seems,
A total spins around, I can see it fallin' down.

It would've been better if if we never, there's no turning
back for me.
it would've been better, I should've known better,
I don't want to believe.

I don't wanna talk, and I don't wanna sing,
stupid love songs, stupid love songs, that I just can't
believe in.
I thought you were the one, but I just can't believe,
believe in love, believe in love, believe in love, it's just a
lie.

Believe in love, it's just a lie.
Believe in love, it's just a lie.
Believe in love, it's just a lie.
Believe in love, it's just a lie.
Believe in love, it's just a lie.

Believe in love, it's just a lie.
Believe in love, it's just a lie.
Believe in love, it's just a lie.

I thought I knew you, but all I knew,
was the girl I wanted you to turn into,
I thought you'd have my heart singin', but oh no girl, we
were so wrong.
Baby baby, lemme tell you the truth, any other guy
would kill for you,
I guess I just could fake it, I won't believe in love it's just
a lie.
