Let it go
There's no way you can save it now
Get back, you know that this city is burning

So the story goes
It makes you wonder
'Cause if we're trapped and we're never
Gonna find a way out,
Get out, we're gonna dance now

Hey Mister Dj
You gotta put a record on, yeah
We're gonna bury this town tonight
We're gonna dance all night

Hey Mister Dj
You gotta put a record on, yeah
We're gonna dance tonight
Dance tonight

I let you go
And I'm still waiting for you to find
There's nothing more
That this time that is right now

So the story goes
It makes you wonder
'Cause time is up
And you're never gonna get another
Chance now, you've gotta dance now

Hey Mister Dj
You gotta put a record on, yeah
We're gonna bury this town tonight
We're gonna dance all night

Hey Mister Dj
You gotta put a record on, yeah
We're gonna dance tonight
Dance tonight

Let it go,
The game is done
The camera's off
It can't be too hard

Let it go,
The game is done
Camera's off
It can't be too hard
To fake it now
Gotta fake it now

Let it go,
There's no way you can change me now.
Get back, you know
I don't need you to save me
So the story goes

Hey Mister DJ
You gotta put a record on, yeah
We're gonna bury this town tonight
We're gonna dance all night

Hey Mister DJ
You gotta put a record on, yeah
We're gonna dance tonight
Dance tonight
